

FEATURES

1. High conversion efficiency, fast starting.
2. Multiple protection circuit for low voltage.
3. Direct Cigarette lighter connection.
4. Smart, light, easy for carrying.
5. Universal socket, suitable for all kinds of plugs.
6. Portable size power inverter.
7. With the multiple protection circuit, no harm to equipment's.
8. High-precisions voltage stability technology.

TECHNICAL PARAMETERS

To ensure the safety of the power inverter, five safe protections are designed, including overload protection, overvoltage protection, low voltage protection, high temperature protection and short circuit protection.

SPECIFICATIONS

Model	SAA-1500A
Input Voltage	12V
Output Voltage	220V-240V
Rated Power	1500W
Peak Power	3000W
Efficiency	>70%
Protection	Overload protection, Input over-voltage protection. Input low-voltage protection, Over temperature protection
Packed Qty	20PCS
Dimensions	200*95*55mm
N.W	1.03kg
Certification	ISO,CTA,CE

APPLICATIONS

This car power inverter can convert 12V/24V DC of automobile to 220V/110V AC to supply for the electronic products such as player MP3, player MP4, cell phone, laptop, emergency light, electric fan, electric blanket, electric shaver, digital camera, digital video, TV, CD, DVD, game machine, cleaner, refrigerator, electric light etc.
